Atlas p. 54/55

The United States Before the Civil War

1. What is map A depicting?
2. What are the purple dots representing?
3. Where are most of the purple dots?
4. Where are most of the "textiles"? What about the factories?
5. Think about the inventions we discussed, is there any connection of those to this map? Explain.
6. Is there a difference between the North and South? Explain the difference. Why is there a difference? What might have caused this?
7. Look at Graph B. How is this connected to Map A? What impact might this have had?
8. Look at map C, how might this map be related to map A? Explain.
